2012 Picnic location.

Discussion about survey results. Preference from general comments was Sugar River Park. Final decision about location won't come until January. Permanent move to Sugar River Park would require lights and building with running water. Additional tweaks to chicken dinner will need to be made yet.

John Manion made presentation about lighting Sugar River Park. He has been working with MUSCO Lighting. Their initial proposal for lighting the park without any volunteer work is \$110,000-\$120,000. John is researching grants through Cal Ripken and Babe Ruth leagues as well as an organization called Baseball Tomorrow.

Lake Restoration update indicates that more dredging has been approved. Basketball Courts are approved to go in where tennis courts were. Pedestrian Bridge is in the works. JSD has donated \$75,000 in engineering work to the project so they have been given task of designing the bridge.

Officer Elections: President, Treasurer and Director 1 positions were up for elections.

Gary Salmela has run for Director position and is running unopposed. Gary Salmela voted in as Director unanimously.
